

# Shouzhi Fang, Ph.D.

✉ sfang18@syr.edu      ✉ @frank\_kid1412      in shouzhi-linkedin  
🌐 <http://frank1412.github.io>

## Research Interests

Hardware and software security; encryption accelerator; processing in Memory; Trusted Execution Environments; program analysis; automated testing and verification.

## Education

- 2024 – now      **Ph.D. Computer Science and Engineering, Syracuse University** in NY, USA.  
Co-advised by Prof. Alex K. Jones and Prof. Endadul Hoque.
- 2021 – 2023      **M.Sc. Computer Science, Rutgers University** in NJ, USA.
- 2015 – 2019      **B.E. Computer Science and Technology, Chongqing University of Posts and Telecommunications** in Chongqing, China.

## Employment History

- 2024 – 2026      **Syracuse University** Research Assistant.
- 2023 – 2024      **Black Cow Tech** Software Engineer, remote from USA.
- 2020 – 2021      **Business-intelligence of Oriental Nations Corporation** Software Engineer, in Beijing, China.

## Research Publications

### Conference Proceedings

- 1 S. Fang, W. Tegge, C. Yue, A. K. Jones, and E. Hoque, “Memory is the cipher: Confidential AES in commodity dram,” Finger Lakes, NY, USA, Jun. 2026.

### Posters

- 1 S. Fang, W. Tegge, C. Yue, A. K. Jones, and E. Hoque, *Memory is the cipher: Confidential AES in commodity dram*, Research Day at Syracuse University, Syracuse, NY, USA, Mar. 2026.

## Miscellaneous Experience

### Awards and Achievements

- 2019      **Outstanding Graduate** awarded by the Computer Science and Technology Department at CQUPT.
- 2016-2018      **Second Prize Scholarship**, Awarded by CQUPT.

### Certification

- 2007      **Certified Go Player 5 Degree**. Awarded by Chinese Weiqi Association.
